

The screenshot displays the IBM Cloud dashboard. At the top, a navigation bar includes the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and the user's account 'Vignesh M's Account'. Below this, the 'Dashboard' section features a 'For you' filter and a 'Select an option' dropdown. The main content area is divided into five cards: 'Build' (a large blue card with a link to explore tutorials), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'IBM Watson Internet of Things Platform' (2 min), and 'Build a Virtual Private Cloud (VPC)' (7 min). Each card includes a brief description and a 'Getting started' button. The bottom of the dashboard shows sections for 'User access', 'News', and 'Planned maintenance'. The browser's address bar shows 'cloud.ibm.com'.
